FOR IMMEDIATE RELEASE

Miller Road Closed during Bridge Construction over New US 31

ST. JOSEPH COUNTY, Ind. – The Indiana Department of Transportation (INDOT) announces Miller Road between existing US 31 and Miami Road will be closed August 10 through spring 2010. This will allow crews to construct a bridge for Miller Rd. to pass over the new US 31 being built between Plymouth and South Bend.

Residents and businesses will have access to their properties on either side of the closure, but through traffic will be detoured. Eastbound Miller Rd. traffic will be directed to take US 31 south to New Road east to Miami Road north back to Miller Rd. Westbound traffic will be directed to take Miami Rd. south to New Rd. west to US 31 north back to Miller Rd.

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to use caution and consider worker safety when driving through a construction zone. For maps and more information about the new US 31 alignment between Plymouth and South Bend, please visit www.us31plysb.com.
