

Chapter 9: List of Preparers

Name	Position	Credentials
Federal Highway Administration		
Shelby M. Fuller	Environmental Engineer	4 years experience Project Development and Environmental Studies; B.S. and M.S. Civil Engineering
Indiana Department of Transportation		
Janice Osadcuk	Chief, Division of Environment, Planning, and Engineering	28 years NEPA, Environmental related experience; B.A. Biology, M.A. Ecology
Christine Baynes	Manager, Project Management Section	11 years experience Transportation; B.A., History/Political Science
Jim Juricic	Manager, Environmental Assessment	31 years NEPA / Environmental related experience; B.S. Forestry
Robert F. Buskirk	Environmental Assessment	32 years experience with INDOT, 26 years experience Reviewing EIS; B.S. Wildlife Mgt.
Steve Sperry	Environmental Scientist, Environmental Assessment	13 years experience Transportation, NEPA, and Environmental issues; B.S. Biology
Brad Steckler, P.E	Manager, Engineering Assessment	18 years experience; B.S. Civil Engineering, M.S. Civil Engineering
Nick Batta, E.I.T.	Staff Engineer	2 years experience Transportation; B.S. Civil Engineering
Steve Smith	Manager, Long Range Planning	28 years experience Transportation Planning; B.S. Urban Regional Planning, M.S. City Planning Transportation
Don Abraham	Development Engineer, LaPorte District	44 years experience with INDOT, 32 as Development Engineer; B.S. Civil Engineering, B.A. Business Administration

US 31 Plymouth to South Bend

Draft Environmental Impact Statement

Name	Position	Credentials
Vaneeta Kumar	Planning/Intermodal Transportation	10 years experience; J.D.
Anne M. O'Connor	Chief, Legal Counsel	14 years experience in Legal Field/Government; J.D.
Bernardin, Lochmueller & Associates, Inc.		
Keith Lochmueller	President, Principal	41 years experience Transportation and Land Use Planning; Consultant on numerous planning and environmental related studies, Consultant to INDOT; A.D. Construction Technology
Vincent Bernardin, A.I.C.P.	Vice President, Principal	28 years experience Planning and Traffic Analysis; M.U.P. Transportation, B.A. Sociology/Economics
David Isley	Director of Environmental Studies, Principal	28 years experience Land Use and Transportation Modeling and Air Quality Analysis, Consultant to INDOT; B.S. Computer Science and Mathematics, M.U.P. Urban and Regional Planning
James Gulick, P.E., S.E.	Chief Engineer, Principal	8 years experience Location Engineering, 28 years Bridge Design; B.S. Civil Engineering, P.E.M.S.C.E.
Carl D. Camacho, P.E.	Project Manager	19 years experience Construction and Highway Design; B.S. Civil Engineering
Thomas H. Cervone, Ph.D.	Environmental Manager	30 years experience Environmental Studies; B.S., Ph.D., Post Doctorate in Biology
Rusty Yeager	Senior Field Biologist	12 years experience Environmental Studies; B.S. Biology
Jeremy Kieffner	Field Biologist	10 years experience Environmental Studies; B.S., Public and Environmental Affairs

Name	Position	Credentials
Kia Gillette	Environmental Biologist	6 years experience Environmental Studies; B.A. Biology, M.S.E.S. (Environmental Chemistry)
Jason DuPont, P.E.	Project Engineer	6 years experience Environmental Engineering; B.S. Civil Engineering
Josh Sherretz	Field Biologist	B.S. Public and Environmental Affairs
Cinda Bonds	Environmental Biologist	6 years experience Environmental Studies; M.S. Wildlife and Fisheries Science
Brian Litherland, P.E.	Manager, Highway Design	13 years experience Highway Design; B.S. Civil Engineering
David Ripple, Ph.D., P.E., A.I.C.P.	Chief of Transportation and Land Use Planning	33 years experience Transportation and Land Use Planning; Ph.D., Urban and Transportation Engineering, M.S. Civil Engineering, B.S. Civil Engineering
Dan Townsend	Transportation Engineer	7 years experience Engineering; B.S. Civil Engineering
Kyeil Kim, Ph.D.	Transportation Planner / Engineer	13 years experience Engineering; Ph.D., Civil and Transportation Engineering; M.S. Civil and Transportation Engineering, B.S. Urban Planning
Cheryl R. Brown	Project Engineer	6 years experience Engineering; B.S. Civil Engineering
Dominick Romano, Jr.	Project Engineer	6 years experience Engineering; B.S. Civil Engineering
Valerie Romano	Transportation and Land Use Planner	4 years experience Transportation and Land Use Planning; Bachelor of Urban Planning and Development

US 31 Plymouth to South Bend

Draft Environmental Impact Statement

Name	Position	Credentials
Vince Bernardin, Jr.	Transportation Planner	2 years experience Transportation Planning; B.A. Philosophy and Physics
Jonna Stack, J.D.	Director of Public Involvement	16 years experience Communications, Public and Media Relations, Conflict Resolution, 5 years experience Environmental Law; J.D. emphasis Environmental and Natural Resources Law, B.S. Communications
James Mosley	Transportation Planner and Public Affairs	8 years experience Land Use and Community Planner, 7 years experience Public Involvement and Environmental Consultant; B.S. Public and Environmental Affairs
Jane Mosby	Manager, Administrative Services	16 years Office Administration and Management
Ginny Wortz	Manager, Graphic & Data Division	26 years experience Management, Administration, and Marketing
Brenda Stewart	Project Coordinator	26 years experience Administration and Public Relations
Harmony Gratzer	Graphic Designer	5 years experience Graphic Design; B.S. Journalism/ Computer Publishing
Michael Howery	Graphic Designer	8 years experience Graphic Design; B.S. Telecommunications
Dyer Environmental Services		
Sara Dyer	Principal	24 years experience preparation of environmental studies for transportation projects; B.S. Agriculture, Natural Resource and Environmental Science
Robert Neal Sanders	Appraiser	20 years experience as INDOT approved Right-of-Way appraiser and land acquisition specialist; B.G.S. Real Estate and Urban Economics

Name	Position	Credentials
Weintraut and Associates, Inc.		
Linda Weintraut, Ph.D.	Principal	12 years experience Cultural Resource Management; Ph.D. American History, M.A. Public History
John Warner	Historian	8 years experience Cultural Resource Management; M.A. Public History
Connie Ziegler	Historian	4 years experience; B.A. in History, masters work in History
Jennifer Weintraut	GIS Administrator	4 years experience GIS; B.S. Environmental Science,.
Landmark Archaeological and Environmental Services, Inc.		
Thomas C. Beard	Principal	21 years experience Archaeology, Geology, and Cultural Resources Management; B. S. Anthropology /Geology, M. S. Cultural Resource Management.
Jeffrey A. Plunkett	Vice President	12 years experience Archaeology specializing in computer modeling of archaeological site locations and cultural resources management; B. A. Anthropology, M. S. Anthropology.
Catharine A. Carson	Archaeological Technician	11 years experience, Archaeology and Cultural Resources Management; B. A. Anthropology (minor in Geology).
Winning Communities		
Jim Dittoe	Public Involvement Coordinator	28 years experience Community and Economic Development; B. A. English, B.A. Management
CTL Engineering of Indiana, Inc.		
Ali Karaki, P.E.	Principal Engineer	20 years experience in subsurface investigations studies and construction materials testing; P.E., BSCE, MSCE.

US 31 Plymouth to South Bend

Draft Environmental Impact Statement

Name	Position	Credentials
Paul L. Douglass, P.E.	Principal Engineer	18 years experience in Teaching Foundation Design and Soil Testing, and 22 years experience in Practicing Geotechnical Engineering; P.E., BSCE, MSCE.
Bradley J. Keller	Environmental Scientist	7 years experience in Environmental Site Assessments and Soil Classification; BS in Environmental Geology.
