

Chapter 9: List of Preparers

Name	Position	Credentials
Federal Highway Administration		
Shelby M. Fuller	Environmental Engineer	7 years experience Project Development and Environmental Studies; B.S. and M.S. Civil Engineering
Larry Heil	Air Quality / Environmental Specialist	15 years NEPA / Environmental related experience; BS and Masters of Civil Engineering
Indiana Department of Transportation		
Janice Osadczuk	Chief, Division of Environment, Planning, and Engineering	32 years NEPA, Environmental related experience; B.A. Biology, M.A. Ecology
Christine Baynes	Manager, Project Management Section	14 years experience Transportation; B.A., History/Political Science
Jonathan Wallace	Project Manager	5 years experience in transportation; B.A. Communication; Masters work in Communication
Robert F. Buskirk	Environmental Planning (Review)	35 years experience with INDOT, 26 years experience Reviewing EIS; B.S. Wildlife Mgt.
Steve Sperry	Environmental Scientist, Environmental Assessment	16 years experience Transportation, NEPA, and Environmental issues; B.S. Biology
Mary Kennedy	Architectural Historian, Environmental Assessment	6 years experience cultural resource management; M.S. Historic Preservation
Brad Steckler, P.E.	Manager, Engineering Assessment	21 years experience; B.S. Civil Engineering, M.S. Civil Engineering
Nick Batta, E.I.T.	Staff Engineer	5 years experience Transportation; B.S. Civil Engineering
Steve Smith	Manager, Long Range Planning	31 years experience Transportation Planning; B.S. Urban Regional Planning, M.S. City Planning Transportation
Don Abraham	Development Engineer, LaPorte District	47 years experience with INDOT, 32 as Development Engineer; B.S. Civil Engineering, B.A. Business Administration
Michelle C. Hilary	Administrator of the Ecology and Waterways Permitting Section, Office of Environmental Services	J.D., 3 Years INDOT experience and 8 Years experience as an attorney, B.S. in Biological Sciences
Ben Lawrence, P.E.	Environmental Assessment Manager	7 Years INDOT experience, B.S. in Chemical Engineering
Teresa Giller	Attorney, Legal Division	J.D., 5 Years transportation experience, B.A. in History

Name	Position	Credentials
Bernardin-Lochmueller & Associates, Inc.		
Keith Lochmueller	President, Principal	44 years experience Transportation and Land Use Planning; Consultant on numerous planning and environmental related studies, Consultant to INDOT; A.D. Construction Technology
Vincent Bernardin, A.I.C.P.	Vice President, Principal	31 years experience Planning and Traffic Analysis; M.U.P. Transportation, B.A. Sociology/Economics
David Isley, M.U.P.	Principal	29 years experience Land Use and Transportation Modeling and Air Quality Analysis, Consultant to INDOT; B.S. Computer Science and Mathematics, M.U.P. Urban and Regional Planning
James Gulick, P.E., S.E.	Principal, Chief Engineer	11 years experience Location Engineering, 25 years Bridge Design; B.S. Civil Engineering, P.E.M.S.C.E.
Carl D. Camacho, P.E.	Project Manager	22 years experience Construction and Highway Design; B.S. Civil Engineering
Thomas H. Cervone, Ph.D.	Principal, Director of Environmental Services	33 years experience Environmental Studies; B.S., Ph.D., Post Doctorate in Biology
Rusty Yeager, B.S.	Senior Field Biologist	15 years experience Environmental Studies; B.S. Biology
Jeremy Kieffner, B.S.	Field Biologist	12 years experience Environmental Studies; B.S., Public and Environmental Affairs
Kia Gillette, M.S.	Environmental Biologist	7 years experience Environmental Studies; B.A. Biology, M.S. (Environmental Science)
Jason DuPont, P.E.	Environmental Manager, Project Engineer	7 years experience Environmental Engineering; B.S. Civil Engineering
Josh Sherretz, B.S.	Field Biologist	B.S. Public and Environmental Affairs
Cinda Bonds, M.S.	Environmental Biologist	9 years experience Environmental Studies; M.S. Wildlife and Fisheries Science
Brian Litherland, P.E.	Manager, Highway Design	14 years experience Highway Design; B.S. Civil Engineering
David Ripple, Ph.D., P.E., A.I.C.P.	Chief of Transportation and Land Use Planning	34 years experience Transportation and Land Use Planning; Ph.D., Urban and Transportation Engineering, M.S. Civil Engineering, B.S. Civil Engineering
Dan Townsend	Transportation Engineer	8 years experience Engineering; B.S. Civil Engineering
Kyeil Kim, Ph.D.	Transportation Planner / Engineer	13 years experience Engineering; Ph.D., Civil and Transportation Engineering; M.S. Civil and Transportation Engineering, B.S. Urban Planning
Cheryl R.Folz, P.E.	Project Engineer	8 years experience Engineering; B.S. Civil Engineering
Dominick Romano, Jr., P.E.	Project Engineer	7 years experience Engineering; B.S. Civil Engineering

Name	Position	Credentials
John Greaney, P.E.	Project Engineer	14 years experience Highway Design; B.S. Civil Engineering
J.D. Sloan, P.E.	Project Engineer	5 years experience Highway Design; B.S. Civil Engineering
Dwayne Sanders	Engineering Designer	14 years experience Highway Design; A.S. Architectural Drafting
Vince Bernardin, Jr.	Transportation Planner	3 year experience Transportation Planning; B.A. Philosophy and Physics
Jonna Stack, J.D.	Director of Public Involvement	19 years experience Communications, Public and Media Relations, Conflict Resolution, 5 years experience Environmental Law; J.D. emphasis Environmental and Natural Resources Law, B.S. Communications
Jane Mosby	Manager, Administrative Services	18 years Office Administration and Management
Ginny Wortz	Manager, Graphic & Data Division	28 years experience Management, Administration, and Marketing
Brenda Stewart	Project Coordinator	28 years experience Administration and Public Relations
Harmony Gratzner	Graphic Designer	6 years experience Graphic Design; B.S. Journalism/ Computer Publishing
Michael Howery	Graphic Designer	8 years experience Graphic Design; B.S. Telecommunications / Media Design
Dyer Environmental Services		
Sara Dyer	Principal	27 years experience preparation of environmental studies for transportation projects; B.S. Agriculture, Natural Resource and Environmental Science
Robert Neal Sanders	Appraiser	23 years experience as INDOT approved Right-of-Way appraiser and land acquisition specialist; B.G.S. Real Estate and Urban Economics
Weintraut and Associates, Inc.		
Linda Weintraut, Ph.D.	Principal	15 years experience Cultural Resource Management; Ph.D. American History, M.A. Public History
John Warner	Historian	11 years experience Cultural Resource Management; M.A. Public History
Connie Ziegler	Researcher	7 years experience; B.A. in History, Masters work in History
Jennifer Weintraut	GIS Administrator	7 years experience GIS; B.S. Environmental Science, Masters in Planning

Name	Position	Credentials
Landmark Archaeological and Environmental Services, Inc.		
Thomas C. Beard	Principal	32 years experience Archaeology, Geology, and Cultural Resources Management; B. S. Anthropology /Geology, M. S. Cultural Resource Management.
Jeffrey A. Plunkett	Vice President	15 years experience Archaeology specializing in computer modeling of archaeological site locations and cultural resources management; B. A. Anthropology, M. S. Anthropology.
Catharine A. Carson	Archaeological Technician	14 years experience, Archaeology and Cultural Resources Management; B. A. Anthropology (minor in Geology).
Winning Communities		
Jim Dittoe	Public Involvement Coordinator	31 years experience Community and Economic Development; B. A. English, B.A. Management
CTL Engineering of Indiana, Inc.		
Ali Karaki, P.E.	Principal Engineer	23 years experience in subsurface investigations studies and construction materials testing; P.E., BSCE, MSCE.
Paul L. Douglass, P.E.	Principal Engineer	21 years experience in Teaching Foundation Design and Soil Testing, and 22 years experience in Practicing Geotechnical Engineering; P.E., BSCE, MSCE.
Bradley J. Keller	Environmental Scientist	10 years experience in Environmental Site Assessments and Soil Classification; BS in Environmental Geology.
Akin, Gump, Strauss, Hauer & Feld, L.L.P.		
William G. Malley	Partner	J.D., Legal council on environmental issues
